

## ERIN BOTSFORD NAMED BARRON'S TOP 100

Dear Clients, Friends and Associates,

Once again, we are pleased to announce Barron's magazine has recognized Erin Botsford as one of its Top 100 Women Financial Advisors for 2016. There are many criteria that are considered to determine this ranking, but what is most important to us is that none of this success would be possible without our valued clients and important business relationships. It is the continued trust our clients have placed in our firm that bring accolades like this our way.

Thank you to all who have contributed to building our business and long standing reputation. We will always do our best to deserve your continued confidence. We hope you will join us in congratulating Erin on this tremendous honor!
